**YOUR FIRST & LAST NAME**

## Hi There !

My name is YOUR FIRST & LAST NAME HERE and I help \_\_\_\_\_ (WHO YOU HELP) \_\_\_\_\_ + \_\_\_\_\_ (HOW YOU HELP THEM) \_\_\_\_\_.

Over the past X NUMBER OF years, one of the things I've discovered is that all businesses - whether it is a new start-up I'm working with or one of my private clients - want a cash infusion. If your business can use a cash infusion, you are going to love this simple 7-step process that is sure to make your life easier, more fun, and more profitable.

To your Success !  
**YOUR NAME**

P.S. Please give me a shout and let me know of your success using this strategy. I do this because I enjoy it and because it's what I do best. It makes me very, very happy to see people achieve financial success (and all that comes with it) as a result of the help that I give.
